

Greetings KCA members;

As we gear up for another annual KCA convention we look to provide members with an outstanding 2012 convention in Topeka Kansas on March 8-9. Enclosed you will find several key items for the annual convention. First off, you will find the KCA convention registration form and the hotel information. Second, you will find a call for programs in case you are interested in presenting at the convention. The final item you will find will be a brightly colored half sheet of paper about the pre-conference workshops (March 7th). This convention will have two pre-conference workshops, the first one will be the ethics workshop (3 CEUs), and the second one will be a workshop put on by the keynote speaker (3 CEUs). We have many exciting opportunities at this year's convention and we hope to see all of you there. Feel free to contact John Larrison, KCA 2012 Convention Chair (information on registration form) or myself with any questions on convention.

Happy Holidays
